Manufacturer's Suggested List Price

POWER OPTIONS

☐ Quad White Yamaha F350 4-Stroke Engines with Digital Electronic Controls and Yamaha Helm Master* w/ Set Point™ \$769,995

*NOTE: Factory installed engines include dual electronic binnacle control with combined power trim-tilt and Yamaha CL7 Touchscreen Display. Yamaha's all-new display features a seven-inch touch panel with full multi-function display (MFD) capability and connectivity. It offers precise engine and boat systems data for up to four outboards on one screen, along with other MFD functions, such as maps, fish finder, and graphing capabilities through its built-in 10 MHz GPS unit. As the primary display for Helm Master, Yamaha's fully integrated boat control system, the CL7 is also the required point of access to Helm Master's new Set Point boat positioning functionality. Factory installed Yamaha engines come standard with stainless steel SDS props and Yamaha 10 micron fuel/water separators.
